

Winter Gifts From Snow Mountain

Here the evergreen air is clean and crisp
Snowy Mountain regal in tunic splendor guarded
By craggy fir sentinels
A cool white blanket of groundcover and cobalt blue sky
Shelter young conifers as a doe and her fawns
Pass effortlessly down the lake path.
Such a peaceful playground. We are warming
To the musical beat of a crackling fire conjuring up what
Winter gifts shall we bring into our home and
Send to our friends that
Bottle this spirit?
